**Saturday, December 13, 2014 – 9 AM**  
(Event goes on, rain or shine)

Each December, holiday wreaths are placed on all the gravesites at this local veterans' cemetery in honor of our fallen. This tradition began in 2006 when the cemetery opened and it is one of the few in the country to have 100% coverage each year. To reach this goal again this year, we will need to purchase 15,500 wreaths. Funds are collected and wreaths are purchased in advance; the public is invited to attend and help lay the wreaths. A one-hour program begins at 9 AM, immediately followed by the placement of wreaths. (Wreaths may be picked up for private remembrances the week prior to the public event. Call one of the contacts below to make arrangements). Check the website for frequent updates, including fundraising progress. We also have a group page on Facebook: Wreath Project (Sacramento Valley National Cemetery).

**Cost of each wreath is \$8 - Any amount you are able to contribute will be greatly appreciated!**

**Checks are to be made payable to: RememberAVet.net**
